INTERNATIONAL EDUCATION PROGRAM

## Bach Flower Remedies for Pets and their People

### Level 1 of the Bach International Education Program

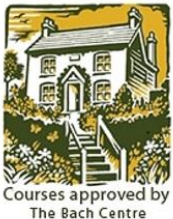

Learn how to use the Bach flower remedies to help both the pets and the people in your life. This course provides a solid foundation in the Bach remedy system and the core principles of working both with animals and people, with a special focus on animal behavior and remedy indications. This new program meets the Level 1 requirements of the Bach International Education Program, and is approved by the Bach Centre, UK.

**Course Dates: October 25 & 26, 2014**

**Location: Courtenay, BC**

**Teacher: Sarah Brune, BFRP**
